

## AROUND THE BOHINJ LAKE TO THE SAVICA WATERFALL

**Meeting point:** village Ribcev Laz or Stara Fuzina

**Duration:** approx. 5-6h

**Equipment needed:** good sports or hiking shoes, comfortable sports clothes and jacket, umbrella (in case of light rain), water bottle.

**Hike:** After meeting at the agreed location we would start our hike around the largest permanent lake in Slovenia, lake Bohinj. Your hike will take you all the way to the end of the valley where the famous Savica waterfall is. We have a few options on how you can hike along the south side of the lake on your way back and we will have the option to choose the route on the way back depending on the trail conditions.

**Note:** We can shorten the hike with the use of an electric boat from one side of the lake back to the starting point. Please note that the boat operates from April till the end of October.
