

BOHINJ CHEESE EXPERIENCE

Meeting point: location of your stay

Duration: 3-4h

Equipment needed: comfortable sports clothes and jacket, umbrella (in case of light rain), water

Experience: This experience takes place in the Bohinj valley. The participants will get to know the history and importance of Bohinj cheese making and its specialities. On the tour we will visit the Alpine dairy farming museum, meet a real Bohinj cheesemaker, taste cheese, dairy products and local specialities produced by the local farmers. Of course on this tour we won't skip some of the most famous Bohinj attractions where we will get to know local stories and legends. Upon request we can also organize a cheese making workshop where the participants make their own cheese and butter.
